Il tappetino è predisposto per:

- *L'orientamento a nord dello strumento*
- *Un potenziamento energetico maggiore durante il trattamento con l'O.L.O.M.*
- *Semplificare il posizionamento delle casse: ricevente ed emettitrice.*

Corredato da:

- Custodia con tracolla

**MISURE:** 177x55 cm

**PESO** 500 gr

## CARATTERISTICHE TECNICHE

Il tappetino presenta al centro il Fiore della Vita atto ad aumentare il flusso del livello energetico della persona per un maggiore benessere.

## COME UTILIZZARE IL TAPPETINO

### TRATTAMENTO DIRETTO

Per il trattamento diretto sulla persona, posizionare i cavalletti sulla sagoma più esterna (linea verde).

Posizionare una seduta comoda priva di parti metalliche (es. legno o plastica) al centro del tappetino, sopra il Fiore della Vita.

### TRATTAMENTO A DISTANZA

Per i trattamenti a distanza tramite testimone (es. foto), posizionare i cavalletti sulla sagoma più interna (linea gialla).

Appendere il testimone al centro del tappetino come illustrato con l'accortezza di non utilizzare oggetti metallici.

## TECHNICAL FEATURES

The mat features the Flower of Life in the centre to increase the flow of the person's energy level for greater well-being.

## HOW TO USE THE MAT

### DIRECT TREATMENT

For direct treatment on the person, place the stands on the outermost template (green line).

Place a comfortable seat with no metal parts (wood or plastic) in the centre of the mat, above the Flower of Life.

### DISTANCE TREATMENT

For remote treatment using a witness (photo), place the stands on the innermost template (yellow line).

Hang the witness in the centre of the mat as illustrated, taking care not to use any metal objects.
